ACN Pre-Registration Guide for Families

Fall 2022

The All Course Network (ACN) is now accepting pre-registration applications for the 2022-23 school year (Fall, Spring, Yearlong). Students who *will be in* grades 9-12 for the 2022-23 school year should create a student account with a personal email (no school email addresses, please). For all other grades, a parent/guardian must add the student to their account to pre-register on their behalf. Courses will first fill by a lottery process. Once course lotteries run (before each semester), students and families will be notified via email and will have to log into their EnrollRI dashboards.

When pre-registering for courses, please adhere to the following choice maximums (allowable enrollments are less):

- Fall and spring pre-registration maximums = 6 choices each semester
- Yearlong pre-registration maximum = 2 choices

All course choices submitted by the deadline will then be entered into the 2022-23 lotteries, which will take place before each semester, after which, families will be notified to [log back in](#) to their **EnrollRI accounts** and take action to “accept” or “decline” any seats offered.

Additional step-by-step instructions and screenshots are located below for additional help

Step 3 (Parents/Guardians, future grades K-8): Add Student or Go to Student Dashboard

The screenshot shows the user interface of the All Course Network. At the top, there is a navigation bar with the RIDE logo, the text 'Rhode Island Department of Education', and links for 'HOME' and 'MY INFORMATION'. A 'LOGOUT' button is also present. Below the navigation bar, a 'Select Language' dropdown menu is visible. The main content area features a welcome message and a 'My Students' section. This section contains two student profiles: 'Dom Test Student 1' (DOB: 09/30/2008, Grade: 8) and 'Dom Test Student 2' (DOB: 08/23/2009, Grade: 2). Each profile has a 'Go to Student Dashboard' button. A red box highlights the button for 'Dom Test Student 2'. A callout box with a blue arrow pointing to the 'Go to Student Dashboard' buttons contains the text: 'Add a student or select a student from your account and click on “Go to Student Dashboard”'.

To “Add Student”:

- Fill in “student information” for each student.
- Fields with the red lines are required.

This information can be edited at any time from the student dashboard.
