TO: Members of the Council on Elementary and Secondary Education

FROM: Angélica Infante-Green, Commissioner *a. Infante*

SUBJECT: *Art Re-engages Talent in all Students (ARTS) Initiative – Request for Approval*

Article 5 and 9 of the Fiscal Year 2019 State Budget included a \$250M Statewide School Construction Bond, a new funding mechanism designed to provide upfront funding for projects. Pursuant to RIGL 45-38.2-4(e)(3), any excess funds may be transferred to the SBA capital fund in an amount not to exceed five percent (5%) of any amount of bonds issued in a given year. As a result, a total of \$12,500,000 in excess funds from the Statewide Bond can be transferred to the SBA capital fund.

The SBA Capital Fund, consistent with statute and the Basic Education Plan, is used to support public school improvements to ensure that funding has the greatest impact on improvement gaps in the State’s priority areas, providing high-quality educational opportunities for all public students. Research demonstrates that the link between involvement in the arts and engagement in school is strong and persistent. Coming out of the pandemic, RIDE is dedicated to supporting local schools as they rebuild and strengthen their arts programs. Arts also improves mental health and helps connect students to their learning environments. This funding will ensure that learning spaces are used optimally by supporting projects that enhance culinary arts, performing arts, visual arts, music, and design. Additionally, funds can support limited or onetime expenses of the SBA, pursuant to R.I.G.L. §16-105-7 and §16-105-3(18).

RECOMMENDATION: THAT, the Council approves the allocation of \$5,000,000 of the Fiscal Year 2022 ARTS Initiative SBA Capital Fund as follows:
