

2017 RI School Facilities Report

Technical Briefing Schedule

Join us for an in-depth technical briefing on the 2017 facilities report, “State of Rhode Island Schoolhouses,” a comprehensive, independent assessment of all public school buildings in Rhode Island. These technical briefings are designed for school and district administrators, school business officials, finance officers, and facility managers, and will be facilitated by Commissioner of Education Ken Wagner and representatives from Jacobs, the vendor that conducted the on-site assessments and compiled the report findings.
