Reading

- 7 Explain why Aunt Martha and the girl will most likely enjoy their trip. Use details from the story.

Aunt Martha and the girl will enjoy their trip. There are no boys and no men just woman. For lunch they have fried chicken and bread, and desert they have cake. There're going to stop at the roadside market and get the junk they like. They'll mosey down backroad and buy the farmers fruit, and they might get peaches also.

Aunt Martha and the girl are going to have a mushroom omelette for dinner. They are going to turn the day around.

- 7 Explain why Aunt Martha and the girl will most likely enjoy their trip. Use details from the story.

They will buy lots of fruits. A s^{pe}shly ^{er} peaches! They will be driving in their new car! They will eat a mushroom outlet for dinner but make sh^{er} they don't eat the poisonous ones. They will stop and take pictures in front of famous statues, and will eat at the fancy restront.

- 7 Explain why Aunt Martha and the girl will most likely enjoy their trip. Use details from the story.

They will have fun on the ride because they will stop alot. Its just the woman, no boys or men. They will eat alot of junk food. They will take pictures. They will have very much fun.

- 7 Explain why Aunt Martha and the girl will most likely enjoy their trip. Use details from the story.

because they will have peace and no men or no boys. Just women and girls.

- 7 Explain why Aunt Martha and the girl will most likely enjoy their trip. Use details from the story.

Maybe she is going to
New York.

12 Explain why the rays of a starfish are important. Use information from the passage.

The rays of a starfish are important because when they are hunting clams when it find them it raps around them and it makes it easier to pull the clam open so they can eat the clam.

The rays can also help a baby starfish when it grows hard it help them grow little tube feet to move around on and thats how the rays help the starfish.

12 Explain why the rays of a starfish are important. Use information from the passage.

Starfish Need Rays.

The rays on starfish help them move around.

They also help them open up muscles and

clams. If a starfish

loses a ray it doesn't

hurt it just grows it

back.

12 Explain why the rays of a starfish are important. Use information from the passage.

Rays of starfish are important because they help the starfish move. If a starfish couldn't move it wouldn't be able to eat and it would die!

- 12 Explain why the rays of a starfish are important. Use information from the passage.

Rays are for eating
they can open clams, oysters &
mussels.

12 Explain why the rays of a starfish are important. Use information from the passage.

Star fish are important because they look so beautiful.
