12 Explain how Walter gets lost **and**

Explain how he is found. Use details from the story.

Walter gets lost in the aquarium and is separated from Iris. Walter was so into the coral reef, he didn't know that his class was moving on. Then Iris wanted to show him something, but instead of Walter being next to her there was a boy named Nick who was lost but then found his class. Then Iris told their teacher that Walter was lost. They went to search for him and found him by the coral reef, and Walter didn't even know he was lost. I'm glad they found him.

12 Explain how Walter gets lost **and**

Explain how he is found. Use details from the story.

Walter got lost because he was so interested in the coral reef that he doesn't notice that his class left. He was found because Iris notices that Walter is not there so she tells Miss Cherry that Walter is not there so Miss Cherry and Iris search for him and find him.
