

## RIDE Approved Career Preparation Programs

As of July 2015

The following list documents the Career and Technical Education programs that are designated as RIDE-approved.

Under the 2012 Regulations Governing Career and Technical Education in Rhode Island, all RIDE-approved career preparation programs must meet the career preparation program standards and participate in the state-managed quality assurance process that focuses on the review and approval of programs.

Students may access RIDE-approved CTE programs outside of their resident district. For more information click [here](#).

| District                 | School Name                              | Program Name                                  | Approval Year | Expiration Date |
|--------------------------|--|---|---------------|-----------------|
| Barrington               | Barrington High School                   | Television Production/Journalism              | 2012 - G      |                 |
| Bristol-Warren           | Mt. Hope High School                     | Business Education                            | 2012 - G      |                 |
|                          |  | Consumer Services/Child Development           | 2012 - G      |                 |
