If you have a child with an IEP, you should have received a separate survey via email or in the mail for just that child.

This is your chance to aid in enhancing school and family partnerships, educational supports for children and youth with special needs, and goal setting and school improvement planning.

If you did not receive a survey by email or mail, please email:

In addition, the Rhode Island Parent Information Network call center is available for additional support and can be reached at [401-270-0101](tel:401-270-0101) or at [800-464-3399](tel:800-464-3399).

*Thank you in advance for taking the time to assist in collecting this critical information, and for being a valued member of the community.*
