

Growth data can be accessed through the EPSS link in your RIDEmap account. The directions below explain the process for how teachers can view their growth scores.

- Click on the **Growth Information** Tab on the top of the screen.

- Growth Information for students in your 2011-2012 and 2012-2013 cohorts will appear in the report below.

The screenshot shows the 'Growth Information' tab selected. Below the 'My Growth Score' section, there is a table for Cohort 1 (2011-12). The table has four columns: Student First Name, Student Last Name, ELA, and Math. The data is as follows:

Student First Name	Student Last Name	ELA	Math
Nicholas	Alves	26	49
Melissa	Benson	83	70
Michael	Cane	59	42
Sara	Dunn	61	79
James	Gomes	13	85
Emily	Hassel	71	76
Joel	Little	24	32

- Your growth median for each of your cohorts and a 2 Year Growth Median Score will appear at the bottom of the page.

NA denotes a teacher did not have at least one student growth percentile for one of the two cohort years.
 NA* denotes there were fewer than 20 student growth percentiles available for this teacher across the two cohort years and therefore a score was not calculated.
