consulting@aimpa.org	
Brief explanation of format (e.g., virtual, synchronous, asynchronous):	
100% virtual asynchronous coursework	
Brief explanation of professional learning experience:	
<p>The Early Childhood Education bundle, which includes a Credentials Unlimited micro-credential opportunity, provides instruction, resources, and tools in three of AIM's asynchronous learning modules including our new Growing Proficient Readers course.</p> <ul style="list-style-type: none"> • Overview of the Science of Reading - Contains content specific to the “science of reading.” 9 Hours • Growing Proficient Readers: Dr. Ehri's Phases of Development - Features reading researcher Dr. Linnea Ehri narrating the observable reading characteristics of learners from emerging readers in the pre-alphabetic phase through proficient readers in the consolidated phase. A deck of vibrant, printed AIM Animated Alphabet Cards, including instructional scripts to use with each card, is included with this course. 4 Hours • Phonological Awareness - A highly specialized module exploring the research and instructional practices related to Phonological Awareness, the first of five core components of reading instruction as identified by the National Reading Panel. 7 Hours 	
Recommendation:	
While this training meets the Right to Read Act requirements for all educators needing to meet <i>proficiency</i> requirements, the following recommendations are offered for consideration.	
Classroom Educators	Recommended for Pre-School and Pre-K educators
Specialists, Tier II, and Tier III Instructors	
Administrators (Awareness)	Recommended for Pre-School and Pre-K administrators and community-based center leaders
