2022-23 Assessment Reporting

Official State Assessment Reporting Information: www.ride.ri.gov/Assessment-Results

- The public will access assessment results through the RI Assessment Data Portal (www.ride.ri.gov/RIADP)
- Educators will access assessment results in the Student Data Portal (SDP) by going to the RI Data Portal (https://portal.ride.ri.gov).
- 22-23 Assessment Results

Student Score Reports:

- NGSA, DLM, ACCESS for ELLs, SAT, and PSAT 10 student score reports must be sent to families. *Do not hang on to the ISRs.*
- RICAS paper student reports will be mailed out to districts soon and should be received by the end of October.

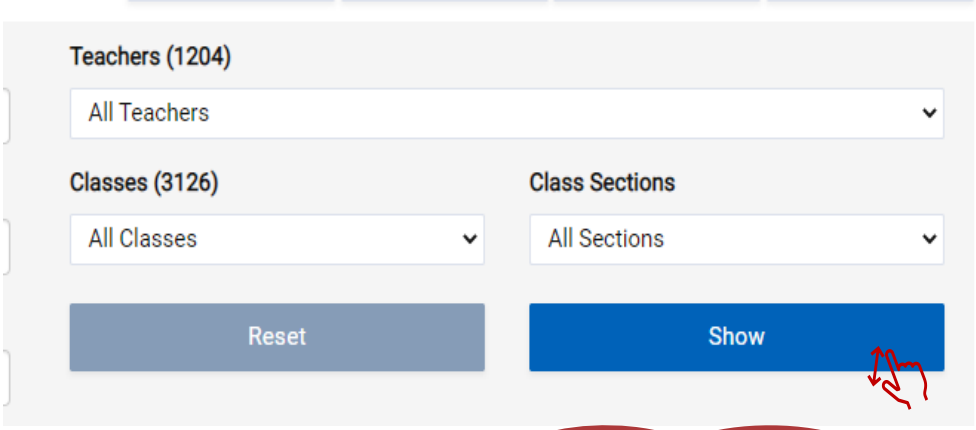
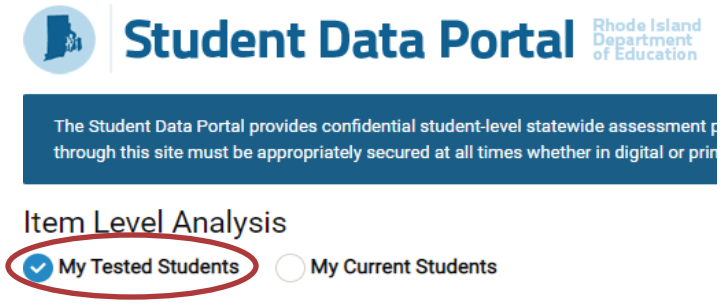
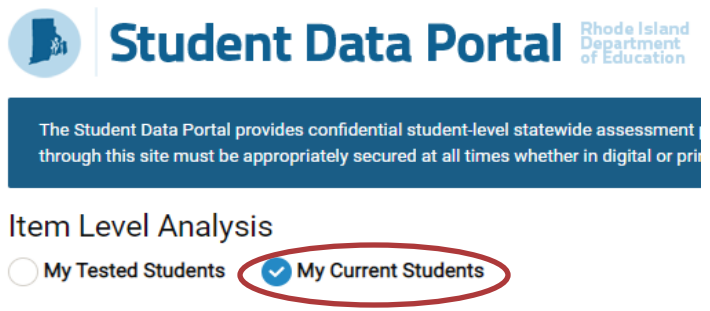
Tips For The User Interface



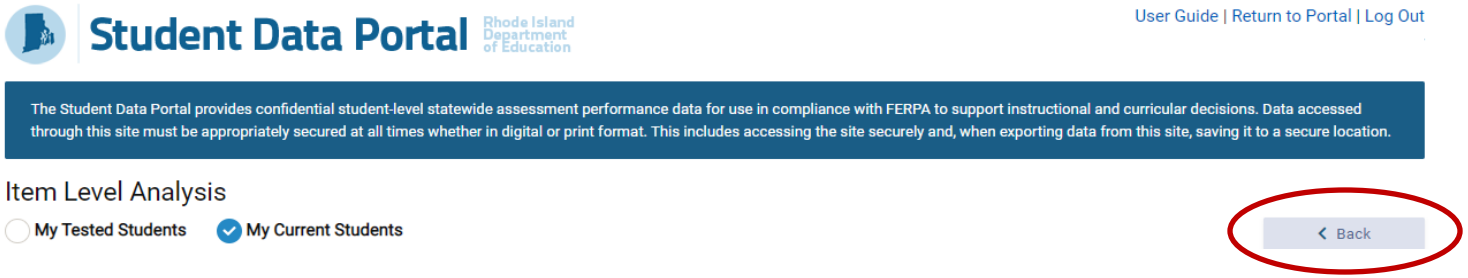
Be sure to click '**show**' each time you have updated your selection. Note: be sure to wait for the '**show**' button to turn blue before clicking to refresh



By clicking on '**My Tested Students**' you will see data from the students that WERE in front of you and tested LAST YEAR.

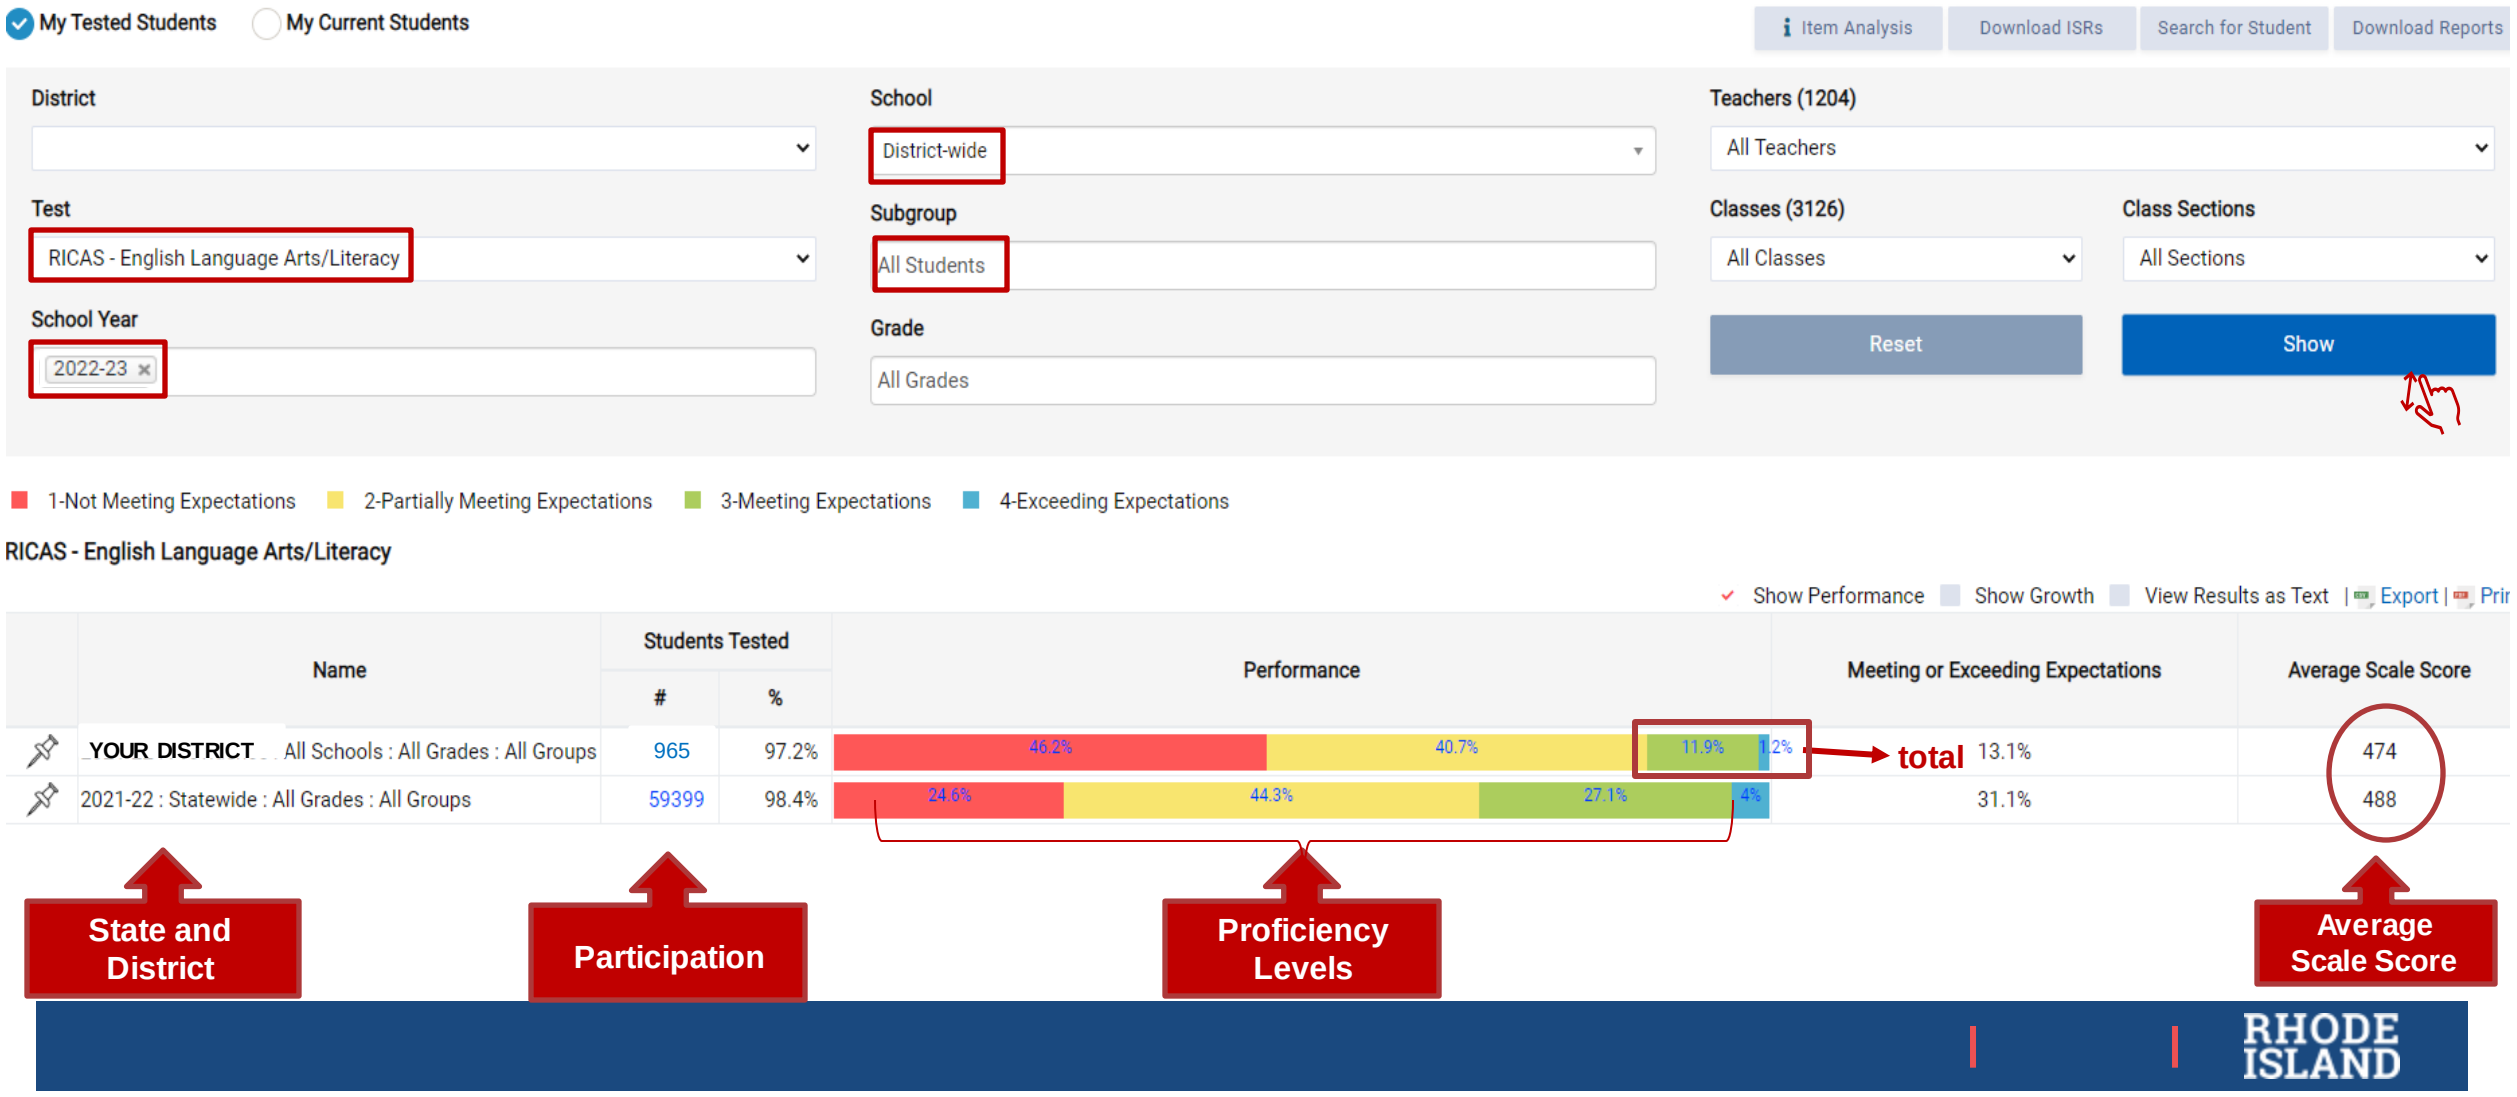


By clicking on '**My Current Students**' you will see data from the students that are in front of you THIS YEAR and tested LAST YEAR.

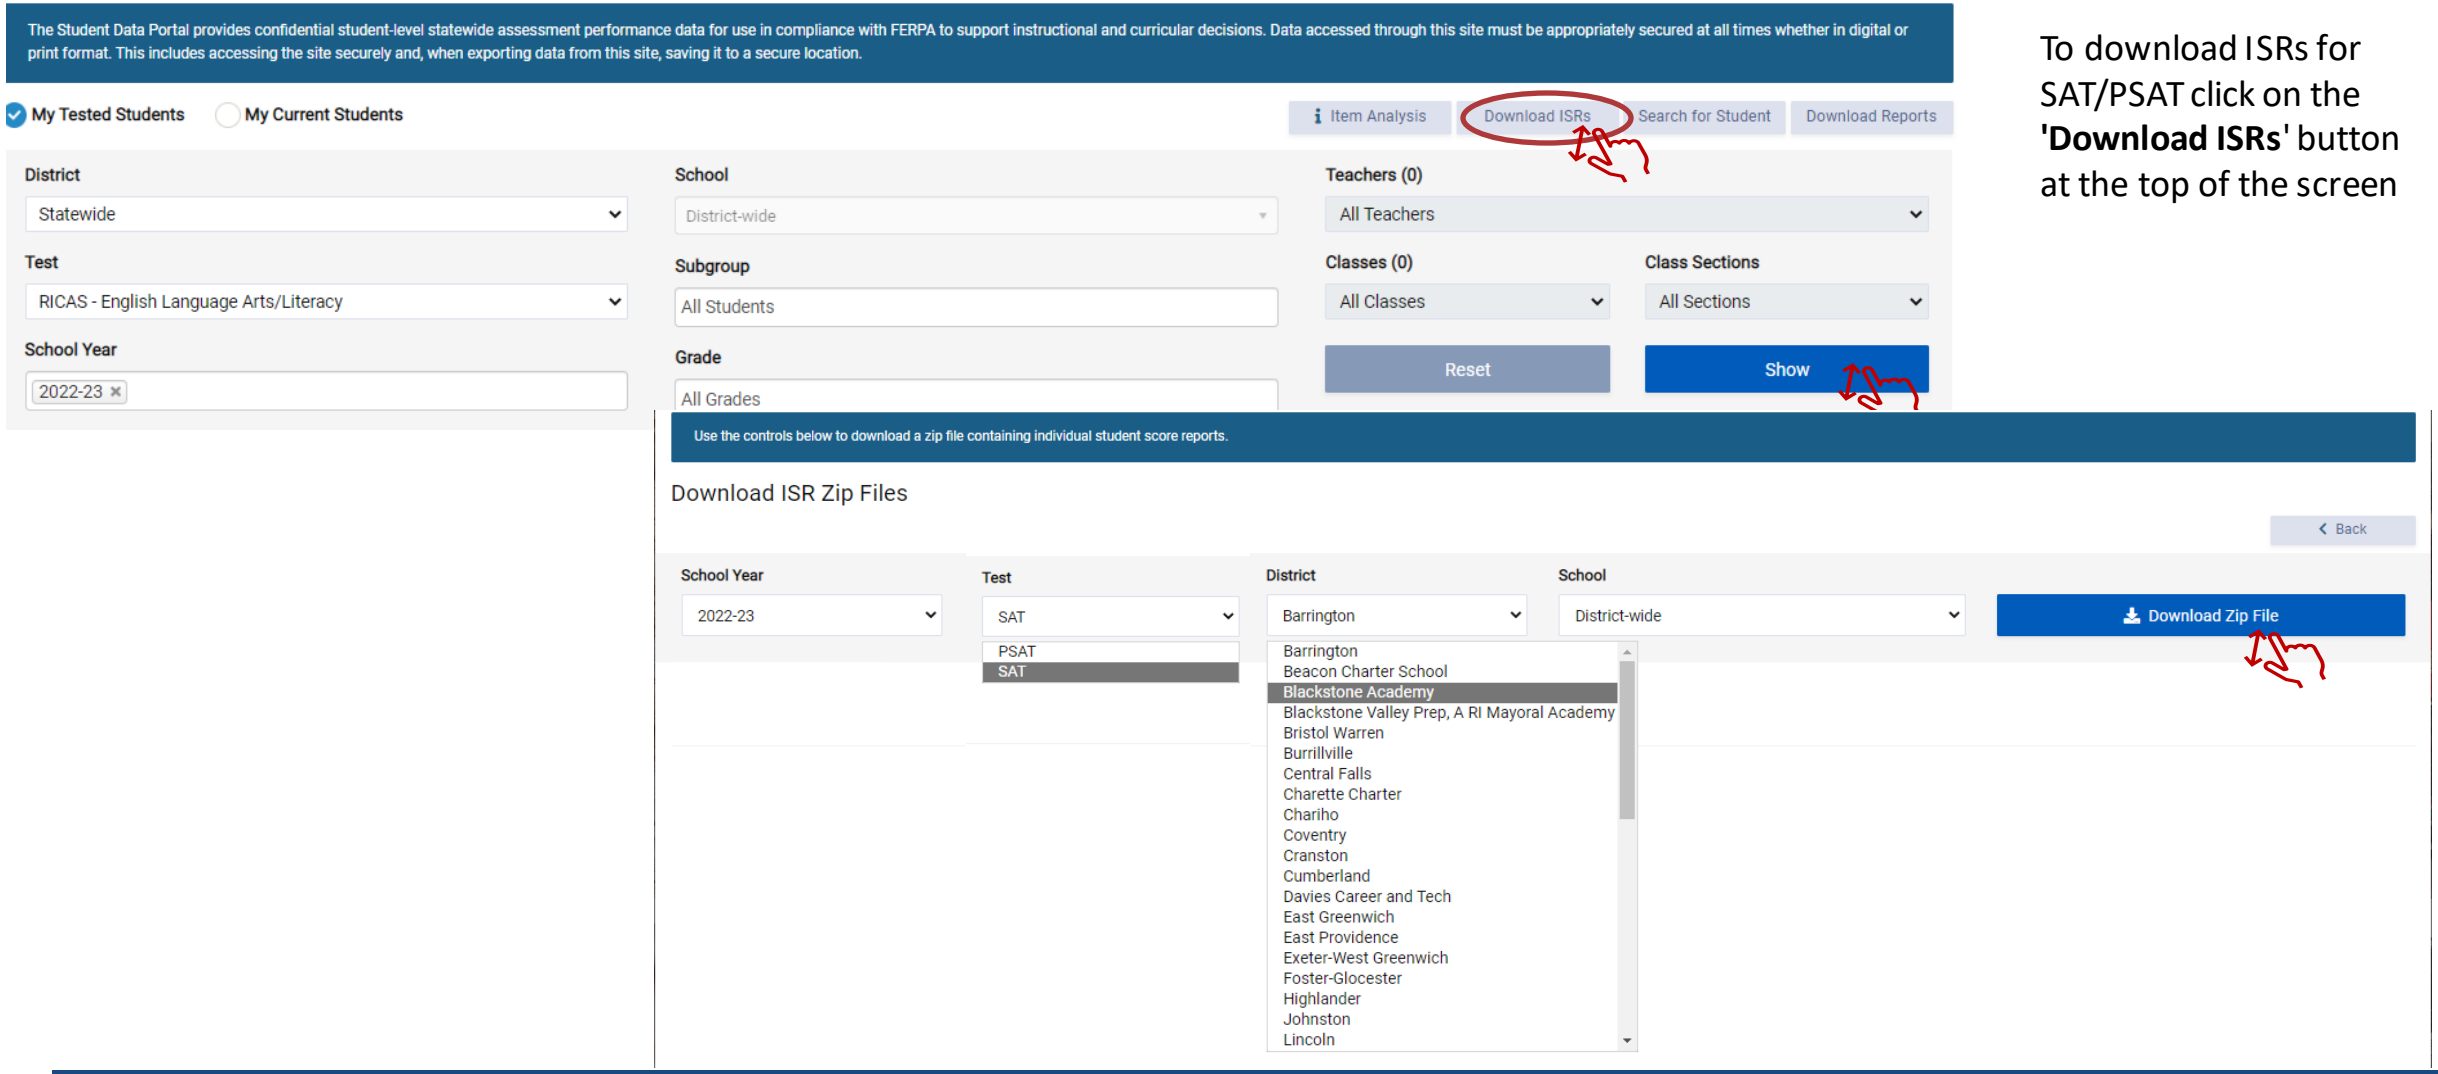


Be sure to use the '**Back**' button on the Data Portal application and not your browser for easier movement between screens.

Looking At Your Data Overall:



Printing SAT/PSAT Individual Student Reports

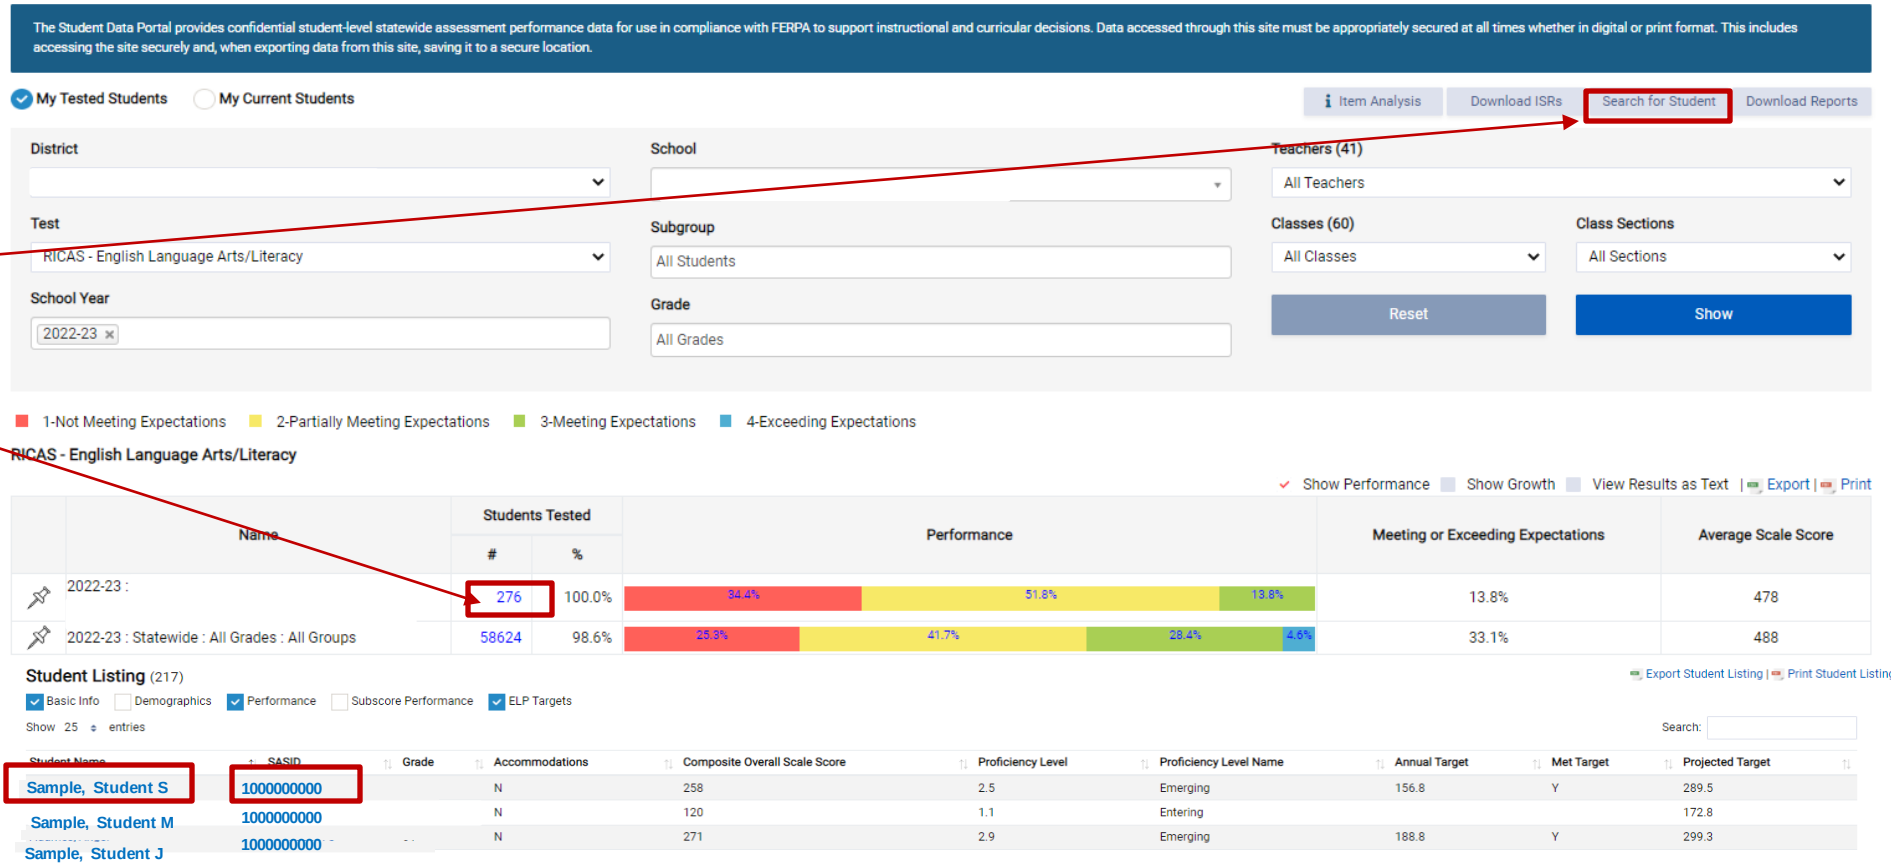


To download ISRs for SAT/PSAT click on the '**Download ISRs**' button at the top of the screen

Student Profile

To access the **Student Profile** page, use the "Search for Student" feature OR click on the number of students tested to the left of the proficiency graph.

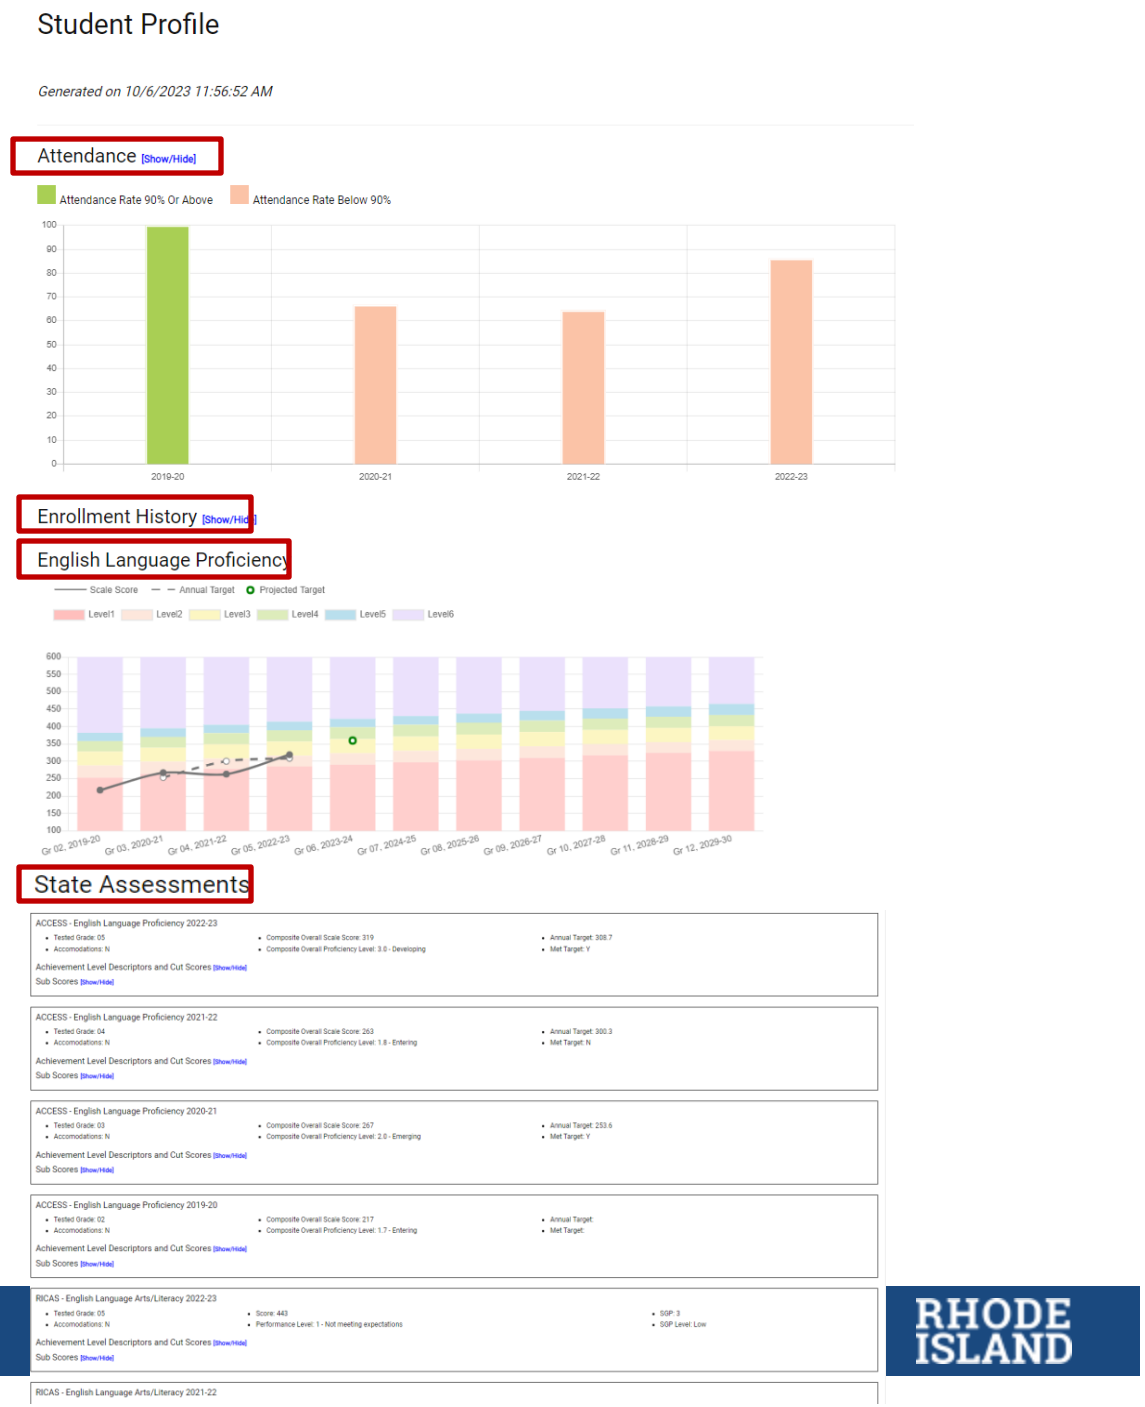
Once in the drill down report, click on the student name or SASID.



Student Profile Page

The **Student Profile** page of the SDP includes longitudinal data for each student for the entirety of their enrollment in RI schools.

- Attendance data
- Enrollment History
- English Language Proficiency data and targets
- State Assessment data (SAT, PSAT, RICAS, NGSA, ACCESS and DLM (if applicable)

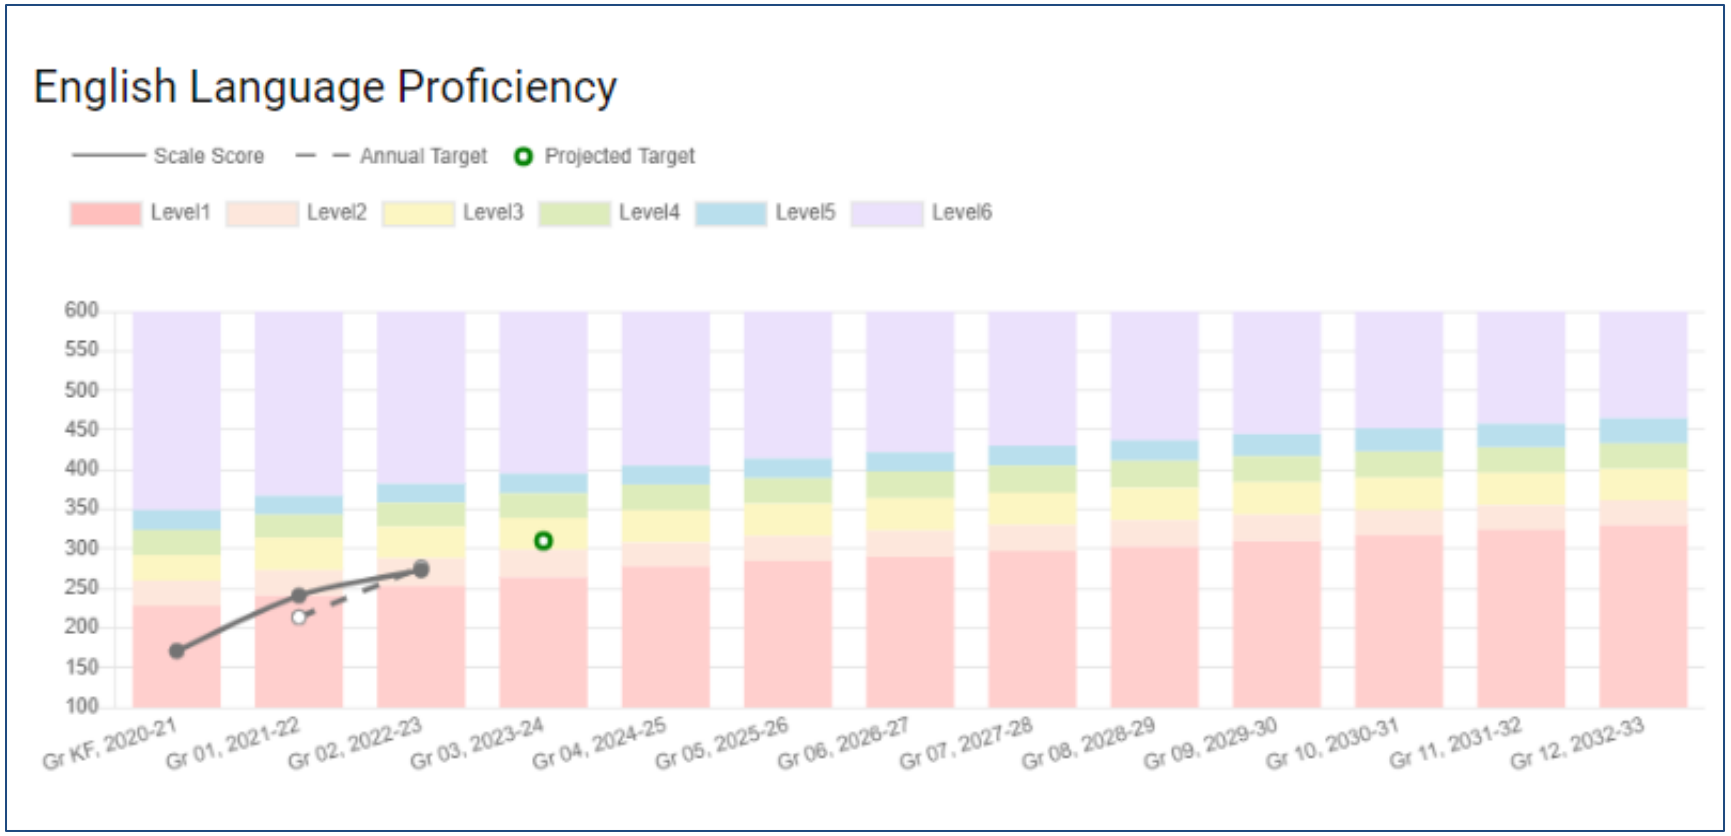


RHODE ISLAND

ELP Targets

NEW for 2023-24

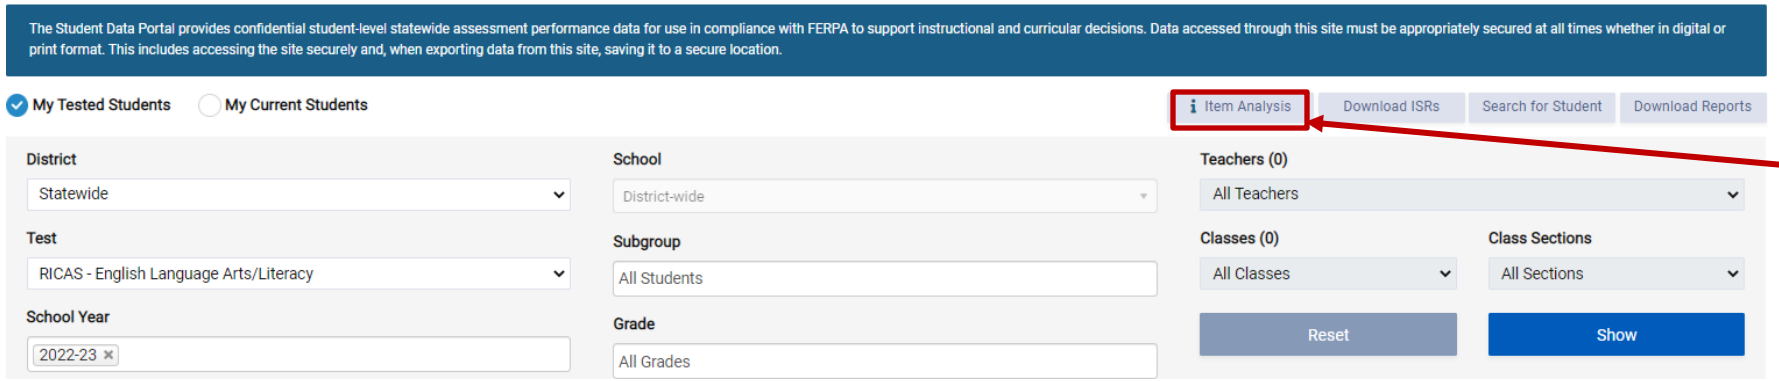
- The student profile, found in the SDP drill down report, will now include a preliminary visualization of individual ELP targets.
- For each year that a student takes the ACCESS assessment, their score is plotted on the ELP graph. This graph depicts the actual overall composite scale score, the annual scale score target for that year and the projected target for the following year.



Note: *A projected target is not set for students who have met the exit criteria of an overall composite performance level of 4.8.*

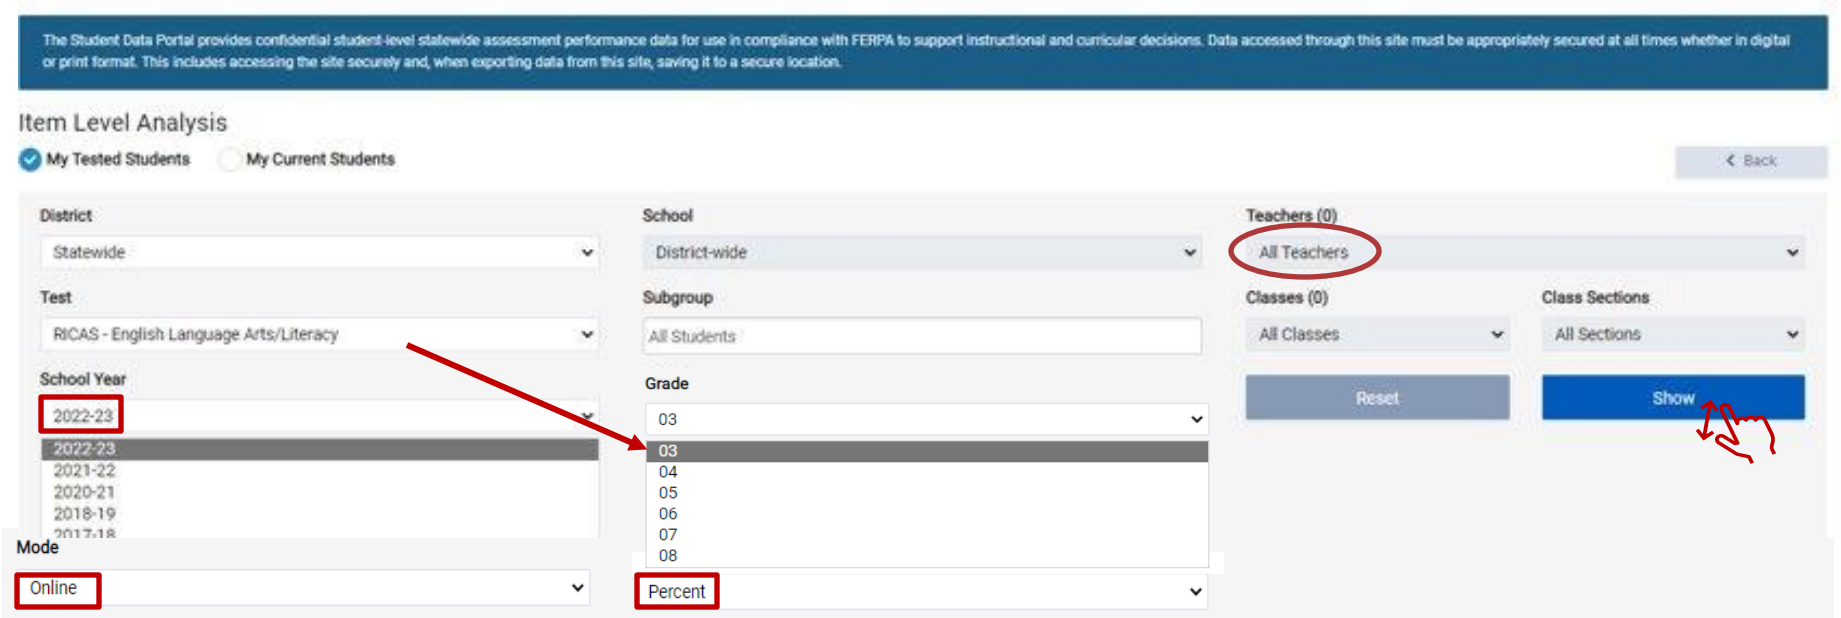
Item Analysis

Only RICAS item analysis is available in the SDP. To view item analysis for other assessments, such as NGSA or NAEP, you need to go to the individual testing portal (such as the NGSA Portal or the NAEP Questions Tool).

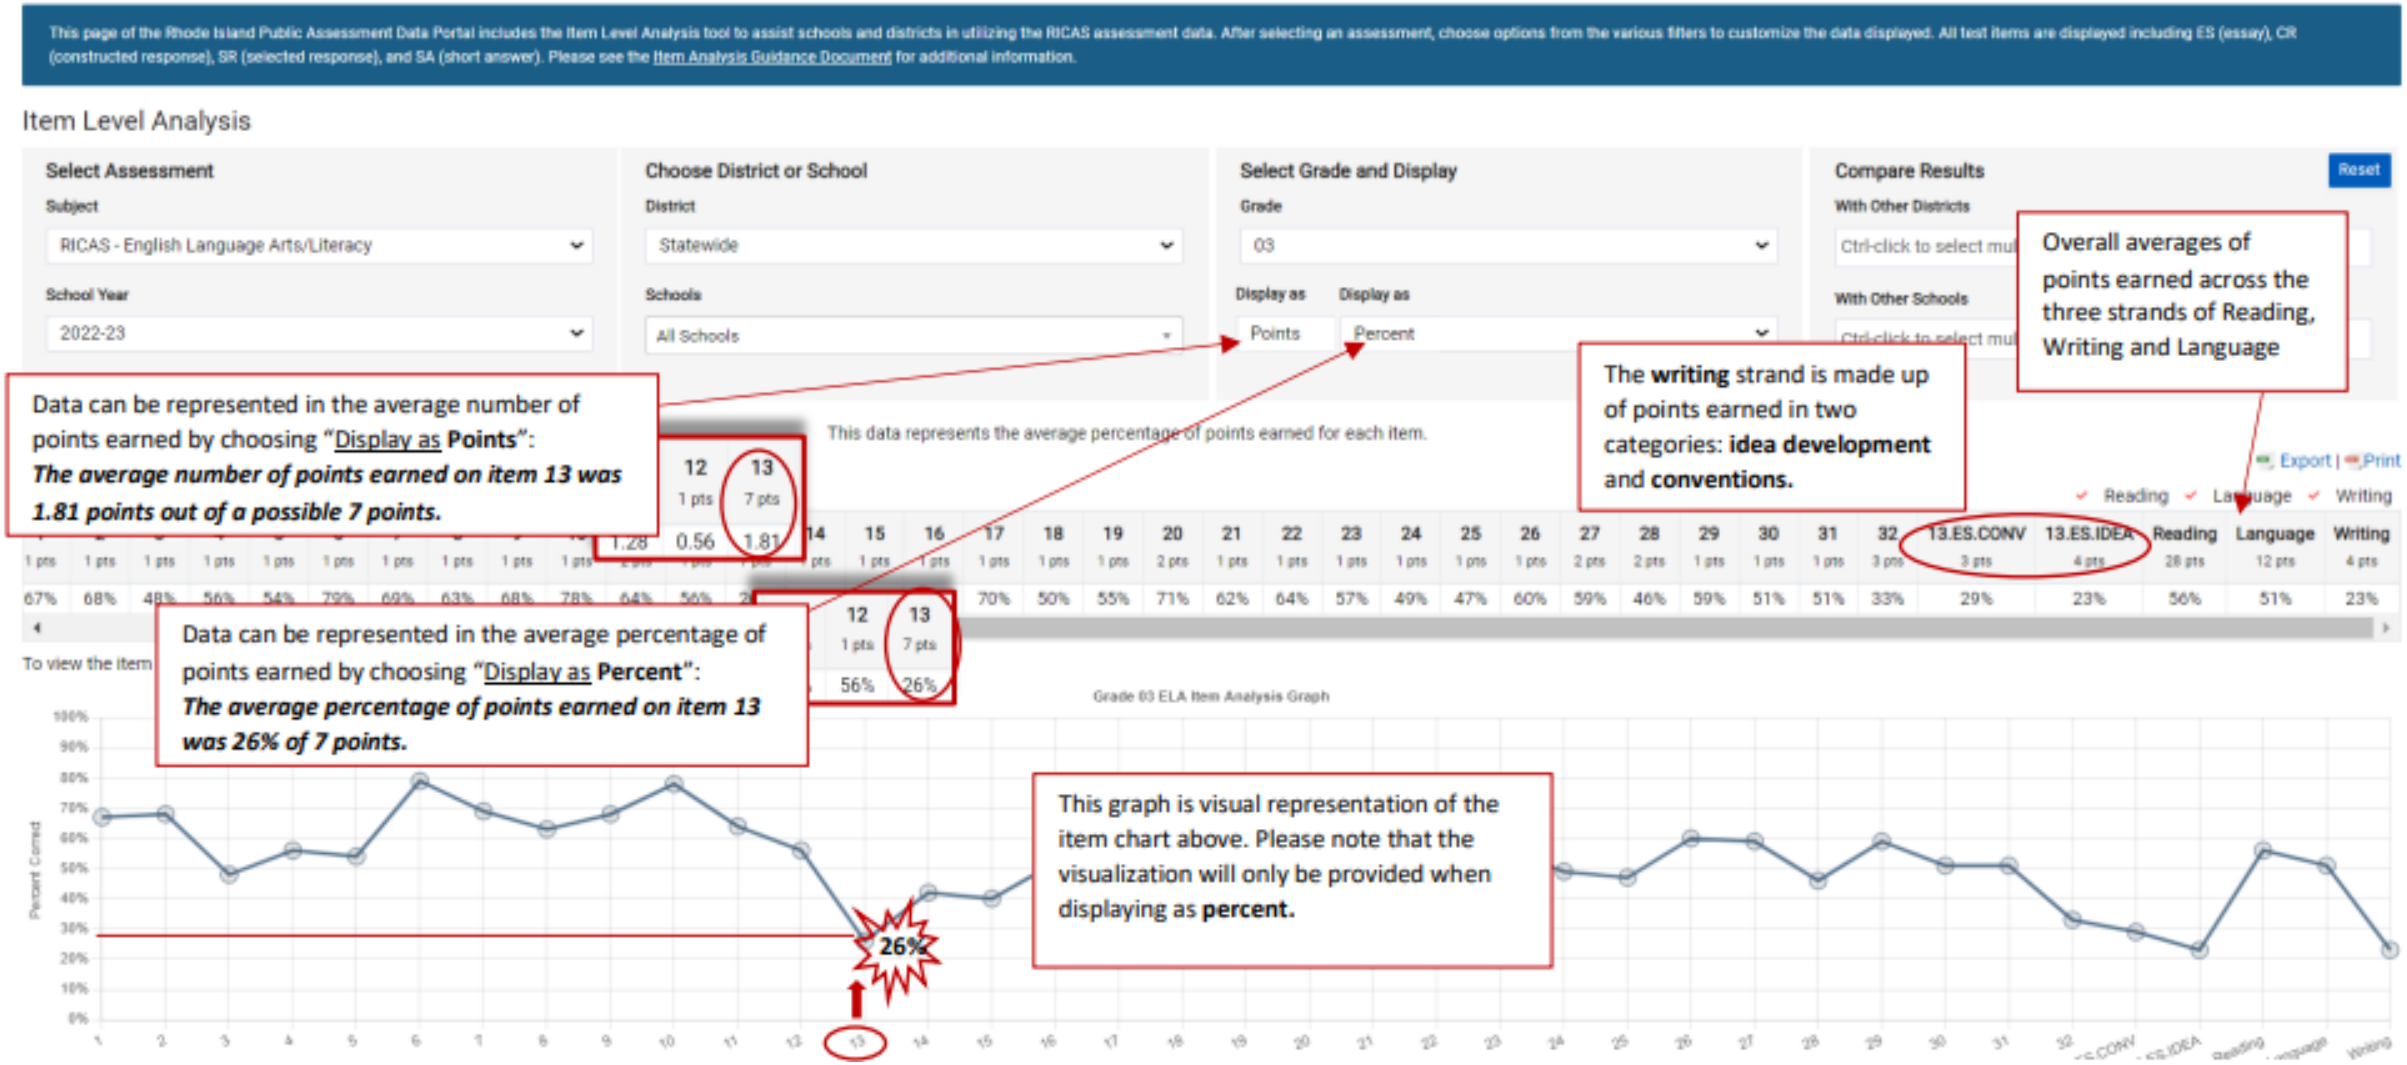


To drill down to the item analysis level, click on the **'Item Analysis'** button at the top of the screen.

Be sure to choose the correct grade(s), test, test year and mode of assessment.



Item Analysis



Item Analysis

The item analysis tool will display each item on the chosen assessment and the **average** *percentage*, or *number of points* earned on that item across the state or district.

When looking at the **writing** strand in this visualization, it is important to note that the total number of possible points for **writing** comes from the student's idea development score. The written response item is scored on both idea development and conventions. The points earned in conventions are part of the **language** strand which includes both conventions and selected response items that align to language standards. See visual below:

Individual Test Updates

RHODE ISLAND

PSAT 10/SAT: Updates and Reminders

- RIDE will continue to register all students including outplaced, out of state, homebound/hospitalized, and homeschooled (if requested by parent) students for PSAT 10 and SAT.
- Students should be given all accommodations noted in their IEPs or 504s unless the student and/or parent are waiving the accommodation(s).
- SSD online will now automatically upload accommodations to TDTK (which is replacing TIDE).
- ALL accommodations need to be entered on time for them to be approved.
    - Digital test packages need to be provisioned into Bluebook.
        - Requesting accommodations last minute (2-4 days before the window closes) may result in test packages that are not provisioned in time for testing.
- **New for 2024-** Data Privacy Letters will no longer be shipped to schools and will need to printed and given to students and families.

PSAT 10/SAT

Universal Tools Available to All Students

Some tools are available to all test takers and don't require accommodations:

- Zoom
- Color contrast
- Calculator (Desmos)
- Math Reference Sheet
- Annotator (highlighter and notepad)
- Mark for review
- Answer eliminator (Strikethrough)
- Question navigator (to quickly review and navigate to specific questions)
- Expand passage or item
- Student clock counts down time left for each section and gives a 5-minute warning

PSAT 10/SAT: Accommodations Changes

PSAT 10/SAT: Paper Testing

- The only students who will be taking paper tests are those who have paper testing as an accommodation in their IEP.
- This accommodation will need to be entered into SSD online as early as possible to ensure paper tests are available and on time for testing
- Paper test will be the linear test.
- Students will write their answers in their test booklet and then test coordinator will enter all student answers into Bluebook (like the NGSA paper test).
    - Once the test coordinator has recorded all answers in Bluebook, the tests will be returned using the return envelope provided by College Board.

NAEP

- Districts and schools selected for NAEP 2024 have been notified.
- New for 2024! NAEP AMS system

- Principals
  - Should have registered by October 13
  - Invited their selected School Coordinator
  - Selected an On-site Technology Coordinator

- School Coordinators
  - should register by October 20
  - log in to review school and grade information
  - contact Jackie Branco with date changes or questions

- RIDE will import student lists once all Principals and School Coordinators are registered.

ACCESS for ELLs Online Checklist
2023-2024

WIDA™ UNIVERSITY OF WISCONSIN-MADISON

This state checklist is a guide for personnel involved in administering ACCESS for ELLs Online, and includes unique steps related to Kindergarten and Alternate ACCESS assessments. The checklist highlights all tasks that need to be completed **before**, **during**, and **after** testing within a school or district and uses color to indicate who typically completes those tasks in your state. This checklist has been customized for your state. The state-specific clarification column contains guidance that your state education agency expects you to follow as you prepare for and administer the test.

WIDA Alternate ACCESS

What's new?

- Name change: No longer called “Alternate ACCESS for ELLs”
- Redesign:
  - Incorporates the WIDA ELD Standards Framework, 2020 Edition
  - Covers kindergarten, which is part of the new K–2 grade-level cluster
  - Includes brand-new test content and a new test item type
  - Contains an Individual Characteristics Questionnaire (ICQ)
- Alternate PLDs: The new Alternate Proficiency Level Descriptors are an extension of the PLDs found in the WIDA English Language Development (ELD) Standards, 2020 Edition, and describe the continuum of language development.
- Reporting timeline: As with any new assessment, the scores for the WIDA Alternate ACCESS will be delayed due to the need to establish cutscores after the first operational administration.

MLL Census Tasks

- ✓ Review MLL Census by **November 1:** RIDE will order test materials for all schools and districts in RI using data in MLL Census

NGSA Cognitive Labs (Cog Labs)

- RIDE is working with Cambium (our science test vendor) to conduct cog labs for students with disabilities and multi-lingual learners to determine if the accommodations and the test items are accessible to these populations of students.
- **DETAILS:**
  - Twelve (12) students with disabilities and twelve (12) English language learners. *Twenty-four (24) students across the state, not per school.*
  - Elementary and Middle schools. Only students in tested grades: grade 5 and grade 8.
  - When the cog labs would be conducted depends on the school's calendar.
  - One interviewer and one observer from Cambium would conduct the cog labs in person.
  - Schools would be responsible for ensuring the student is available on the date/time of the cog lab and for providing space for the cog lab to be conducted.
  - School staff can be present during the cog lab, depending on student need.

NGSA Cognitive Labs (Cog Labs)

- **DETAILS, continued:**
  - Students will respond to one stand-alone question and two clusters. *Student work is not scored.*
  - Cog labs should take about 60-minutes per student.
  - Students should have sufficient English language skills to be able to actively participate in the cog lab.
  - Students with disabilities must have an IEP and score at the *partially meeting expectations* level or higher on RICAS ELA and be able to actively participate in the cog lab.
  - Students will receive a $25 gift card.

- Please reach out to Heather Heineke (401-222-8493 or heather.Heineke@ride.ri.gov) if your school or district would consider participating.

Best Practices for Selecting Your Testing Windows

1. Determine how many staff you will need *before* selecting your testing window.
2. Use as much of the state testing window as possible. Even if your school testing window is over, if you're within the state assessment window, you can continue testing.
3. Plan to test 100% of students in each content area.
4. Start as early in the state primary testing window as possible.
5. Adhere to the state testing window for make-up testing.
