Overview of the Interactive Checklist

To assist school test coordinators in managing their SAT and PSAT 10 preparations, College Board launched the Interactive Checklist on November 18, 2025.

Each school was provided with a checklist to help the test coordinator guide their activities and report completion status to College Board and RIDE. The interactive checklist provides automatic reminder emails regarding upcoming tasks as you prepare for spring testing.

As there are changes to your test day staff, it is essential to complete the [State Testing School Contact Update Form](#) so that newly assigned staff receive notifications about Interactive Checklist tasks.

For questions, contact RISCHOOLDAY@collegeboard.org.

SSD Coordinator & Accommodations

New SSD Coordinators:

- **Establish a College Board Professional Account:** If you haven't done so already, you can create one at www.collegeboard.org if needed.
- **Complete the SSD Coordinator Form:** This form can be completed [here](#). After submitting the form, you can expect to receive instructions on how to access SSD Online via email, typically within 3-5 business days.

Returning SSD Coordinators: Review and confirm your account details, ensuring seamless login and access to SSD Online.

While some districts allow multiple SSD coordinators, it's vital to designate one individual as the primary SSD coordinator for streamlined communications with the College Board.
