Brief explanation of format (e.g., virtual, synchronous, asynchronous):
<i>Basic Language Skills Intro and Basic Language Skills Advanced</i> are offered as live-virtual courses by Neuhaus Education Center. Most of the learning is synchronous, completed in large and small groups in real time. Some of the learning is asynchronous, completed independently. Asynchronous learning includes reviewing recordings, quizzes, textbook readings, and preparation for practicum presentations. Asynchronous assignments can be completed according to a schedule suited to participants' needs, but they must be completed by due dates indicated in the syllabus.
Brief explanation of professional learning experience:
Neuhaus Education Center's dedication to <i>Literacy for All</i> includes resources for educators to support student acquisition of reading and school districts striving for excellence. We equip teachers and district leaders with the latest research-based strategies and materials to teach reading, writing, and spelling to all students, including those with dyslexia. Neuhaus Education Center's Tier III program provides extensive coursework and supervised practica leading to certification for teachers and therapists working with individuals with dyslexia and other related disorders. Basic Language Skills is the core curriculum of the program and is taught primarily through two comprehensive courses.
