Brief explanation of format (e.g., virtual, synchronous, asynchronous):	
Lexia Aspire® Professional Learning, grounded in the science of reading, is a flexible, self-paced, digital solution that empowers all educators to accelerate literacy skills among students in upper elementary through high school.	
Brief explanation of professional learning experience:	
All participants start with a few prerequisite courses and establish their baseline knowledge. Then, they're able to navigate Aspire's courses on demand at their own pace. Each course has its own "Check for Understanding," which is scaffolded to ensure educators fully understand the concepts they've learned. Participants earn a certificate upon completion of each course within the program.	
Recommendation:	
While this training meets the Right to Read Act requirements for all educators needing to meet <i>proficiency</i> requirements, the following recommendations are offered for consideration.	
Classroom Educators	This training is approved for Grades 6-12
Specialists, Tier II and Tier III Instructors	This training builds knowledge that is most applicable to Tier I educators integrating this knowledge into their classrooms
Administrators (<i>Awareness</i>)	The depth of this training exceeds the administrator requirements
Length of Training and Associated Costs:	

Completing all 31 courses typically takes between 40 to 50 hours. Lexia Aspire is available for purchase by educational institutions.
