6.4 Recommendation and Report by the Commissioner

- A. For any LEA subject to intervention and support pursuant to the Crowley Act, R.I. Gen. Laws § 16-7.1-5, the Commissioner (Commissioner) of the Rhode Island Department of Elementary and Secondary Education (RIDE) shall define within the LEA’s turnaround plan the academic and other progress measures that the LEA must meet to exit turnaround status.
 - 1. Such progress measures shall, at a minimum:
 - a. Be customized to the particular reasons for which the LEA was first entered into turnaround status under the Crowley Act;
 - b. Be informed by input from community and other stakeholder engagement that helped inform the creation of the turnaround plan;
 - c. Include academic measures that align to relevant components of the local education agency accountability system, as identified in R.I. Gen. Laws § 16-97.1-1; and,
 - d. Include any additional progress measures identified for specific LEAs pursuant to R.I. Gen. Laws § 16-7.1-5.1.
 2. Other non-academic progress measures may include the successful completion of implementation milestones that address root causes that contributed to the LEA’s entering of turnaround status.
- B. Prior to the end of any order under the Crowley Act, and following input from a variety of community and other stakeholders, the Commissioner shall prepare a report and recommendation to the Council regarding the future of the LEA’s turnaround status.
- C. The report accompanying the recommendation of the Commissioner to the Council shall include, but not be limited to, an analysis of the following:
 1. If the LEA has:
 - a. met the academic and other progress measures identified within its turnaround plan;

b. the capacity and readiness to continue to make progress on the academic and other progress measures, as identified within the LEAs turnaround plan, without the intervention and support provided pursuant to the Crowley Act.

2. If the LEA's local school committee or board has the capacity and readiness to:

a. support the LEA's continued progress on academic and other progress measures, as identified within the LEA's turnaround plan, without the intervention and support provided pursuant to the Crowley Act;

b. provide said support consistent with responsibilities outlined in R.I. Gen. Laws § 16-2-9, as well as other site-based management and governance best practices; and,

3. If the legally responsible municipal entity has the capacity and readiness to:

a. support the LEA's school committee or board to ensure the LEA's continued progress on academic and other progress measures, as identified within the LEA's turnaround plan, without the intervention and support provided pursuant to the Crowley Act; and,

b. demonstrate said support through the contribution of sufficient local funding to the local school committee or board necessary to sustain and continue the LEA's progress, including compliance with statutory maintenance of effort requirements as identified in the Crowley Act.

D. Informed by the above analysis, the Commissioner's report shall include a recommendation regarding the future of the LEA's turnaround status. The Commissioner's recommendation shall align to one of the following three options:—

1. renew the existing turnaround plan, with potential amendments informed by the above analysis;

2. create a new turnaround plan; or,

3. exit the LEA from turnaround status and return control over the LEA to the LEA's respective local school committee or board.

E. If the Commissioner recommends a continuation of the LEA's turnaround status, the report to the Council shall also include, but not be limited to:

1. the time duration for the renewed or new turnaround plan; and,

2. an analysis as to whether any additional supports, prerogatives, and/or resources are needed, from either the state and/or local municipality, that could help make the turnaround plan more effective.

F. If the Commissioner recommends that the LEA be exited from turnaround status and returned to the control of the local school committee or board, the report to the Council shall also include:

1. the date for which the LEA shall officially exit turnaround status and be returned to the control of the local school committee or board, no later than the end of the term of the LEA's relevant order under the Crowley Act; and,

2. any recommendations by the Commissioner if the LEA's return to the control of the local school committee or board should be made subject to a transitional period pursuant to § 6.5 of this Part, below.

6.5 Transitional Periods

A. Unless otherwise specified below and approved by the Council, upon a LEA's official exit from turnaround status and return to the control of the local school committee or board, the provisions of the Crowley act shall no longer apply to the LEA.

B. The LEA may choose to continue to use the turnaround plan in order to continue to improve students' academic performance, renewing or revising it as appropriate, provided that any feature of the turnaround plan that was adopted pursuant to the Crowley Act, in contravention of any general or specific law to the contrary, shall be discontinued unless the Council approves, informed by the Commissioner's recommendation and prior to the LEA's exit from turnaround status, that such feature of the turnaround plan would contribute to the continued improvement of the LEA and should continue for a transitional period after the LEA exits from turnaround status.

C. For any such feature of the turnaround plan to be continued during a transitional period, the Commissioner shall recommend:

1. the progress measures that the LEA must meet for each continuing feature of the plan to be discontinued;

2. the progressive levels of control retained by RIDE over the LEA's budget, program, and/or personnel, as well as any reconstitution responsibility, necessary to carry out such retained continued feature of the turnaround plan during the transitional period; and,

3. if the continued feature of the turnaround plan is applicable to the entire LEA or a subset of schools within the LEA.

- D. For each continued feature of the turnaround plan during the transitional period, upon determination by the Commissioner that the LEA has met the identified progress measures necessary for such continued feature to be discontinued:
1. such feature shall be discontinued; and,
 2. any progressive levels of control or reconstitution responsibility retained by RIDE during the transitional period to enact the continued feature shall cease, as it pertains to that specific continued feature.
- E. Two years (2) after the LEA exits from turnaround status, or after the extension of any subsequent transitional period, if any of the continuing features of the turnaround plan has yet to be discontinued during the transitional period, the Commissioner shall:
1. conduct a review of the LEA to determine whether such continuing feature or features should remain in place or be discontinued; and,
 2. make a recommendation to the Council regarding whether such continuing feature of features should remain in place during an extended transitional period or be discontinued.
- F. If, during or at the conclusion of a transitional period, the Commissioner concludes that the return of control over the operation of the LEA to the local school committee or board would not be in the best interests of the students in the LEA, the Commissioner shall submit a report to the Council in support of the resumption of state control for some additional, legally-permissible period, said report to be substantially in the form of the report to the Council referenced in [§ 6.4 of this Part](#), above.

6.6 Council Approval

- A. The recommendations by the Commissioner described in [§§ 6.4 and 6.5 of this Part](#), above, shall be of no force and effect unless and until approved by a majority vote of the Council, which shall act upon any such recommendation promptly. -In the event that an order expires and/or a transitional period ends after a recommendation is made to the Council, but prior to the Council's action upon said recommendation, said period of control or transition shall continue in effect until such time as the Council acts upon said recommendation.
