ACN Pre-Registration Guide for Families

The All Course Network (ACN) is now accepting pre-registration applications. Students who *will be in* grades 9-12 for the upcoming school year should create a student account with a personal email (no school email addresses, please). For all other grades, a parent/guardian must add the student to their account to pre-register on their behalf. Courses will first be filled by a lottery process. Once course lotteries run (before each semester), students and families will be notified via email and will have to log into their EnrollRI dashboards.

When pre-registering for courses, please adhere to the following choice maximums (allowable enrollments are less):

- Summer pre-registration maximums = 8 choices each semester
- Fall and spring pre-registration maximums = 6 choices each semester
- Yearlong pre-registration maximum = 2 choices

All course choices submitted by the deadline will be entered into the respective semester lotteries, which will take place before each semester. Following the lottery, students and families will be notified to [log back into their EnrollRI accounts](#) and take action to “accept” or “decline” any seats offered or see their position on a course waitlist.

Additional step-by-step instructions and screenshots are located below for additional help

Step 3 (Parents/Guardians, future grades K-8): Add Student or Go to Student Dashboard

The screenshot shows the user interface of the All Course Network. At the top, there is a navigation bar with the RIDE logo, 'HOME', 'MY INFORMATION', and 'LOGOUT'. Below this, a welcome message is displayed. The main section is titled 'My Students' and contains two student profiles. Each profile shows the student's name, date of birth, and current grade. A green 'Add Student' button is located above the profiles. Below each profile is a blue 'Go to Student Dashboard' button. A callout box with a white background and black border is positioned to the right of the profiles. It contains the text: 'Add a student or select a student from your account and click on “Go to Student Dashboard”'. Two blue arrows point from the callout box to the 'Go to Student Dashboard' buttons for 'Dom Test Student 2'.

To “Add Student”:

- Fill in “student information” for each student.
- Fields with the red lines are required.

This information can be edited at any time from the student dashboard.
