The above schools participate in the National School Lunch Program in the Private School category in CNP Connect. Charter Schools, State Schools (Wm. Davies, Met School, & RI School for the Deaf), and Regional Collaboratives are reported on the public schools eligibility report.

Enrollment:

Enrollment reported is inclusive of all grades in a school and reflects student eligibility as submitted to RIDE via the CNP Connect system, with the exception of schools participating in CEP, as noted below.

Schools Participating in the Community Eligibility Provision (CEP)*:

Schools offering meals free to all students under the Community Eligibility Provision (CEP) are reported based on the Identified Student Percentage (ISP) from the initial cycle year of CEP participation multiplied by a factor of 1.6. Enrollment is as reported by the LEA to RIDE via CNP Connect.

Schools Participating in Special Provision 2:**

Schools offering meals free to all students under Special Provision 2 are reported based on the base year eligibility in Provision 2 adjusted by a factor consistent with the percentage change in enrollment since the base year. Enrollment is as reported by the LEA to RIDE via CNP Connect.
