

# CTE-Foundations of Math Professional Learning

*Hosted by the Rhode Island Department of Education (RIDE)*

*Facilitated by Chris Cain Consulting*

## What is Foundations of Math?

The Foundations of Math (FOM) Professional Learning Series supports certified CTE and Math teachers in strengthening conceptual math instruction and aligning mathematics with CTE pathways.

## Program Details

- Format: Five (5) full-day sessions 8:30AM to 4:00PM (lunch included)
- Location: 801 Greenwich Avenue, Warwick, RI
- Stipend: \$2,500 per participant
- Cohort A Dates: Feb 25, Mar 12, Mar 19, Apr 2, Apr 30
- Cohort B Dates: Feb 26, Mar 13, Mar 20, Apr 3, May 1
- Each LEA with a RIDE-approved CTE program may send at least one CTE teacher. See Application for details.
- Each LEA that sends a CTE teacher are strongly recommended also send one secondary math teacher (Math department heads are strongly encouraged.)
