

All Course Network (ACN): How to Create an EnrollRI Account and Register for Courses (Grades 9-12)

All High School students in grades 9-12 should create their own accounts to register for ACN courses in EnrollRI.

1. Visit [EnrollRI.org/acn](https://enrollri.org/acn)
 - a. All students who **will** be in grades 9th-12th for the upcoming school year can create new accounts with an email/phone number of their choosing; avoid using a school email because they often prevent communication coming from ACN and our providers to get to you. .
 - i. All current 8th graders will receive a unique link prior to the Summer/Fall/Yearlong lottery in May via email to set up their own account so they can pre- register for high school offerings.

2. After creating and verifying your account, you will be logged in to the system. To access your account in future visits, return to the home screen and insert the email or phone number associated with the account and click “log in.”
 - a. EnrollRI is “passwordless,” so users just insert a one-time code from their phone or email and don’t have to remember a password to access their account.
