

## ACN Registration Guide for Students & Families

The All Course Network (ACN) is now accepting applications. Students who are in grades 9-12\* for the current school year should create a student account with a personal email (no school email addresses, please). For all other grades, a parent/guardian must add the student to their account to pre-register on their behalf. Courses will first fill by a lottery process. Once course lotteries run (before each semester), students and families will be notified via email and will have to log into their EnrollRI dashboards.

*\*If a student is in 8th grade and registering for an upcoming **summer** semester, they will also need to create their own account with a separate email and mobile number. The summer semester looks to their rising grade (9th grade) for course registration.*

When pre-registering for courses, please adhere to the following choice maximums (allowable enrollments are less):

- Summer pre-registration maximums = 6 choices
- Fall and spring pre-registration maximums = 6 choices each semester
- Yearlong pre-registration maximum = 2 choices

All course choices submitted by the lottery deadline will then be entered into the respective semester lotteries, after which, students and families will be notified to [log back in](#) to their **EnrollRI accounts** and take action to “accept” or “decline” any seats offered.

**Step-by-step instructions and screenshots are located on the next page.**

A red box highlights the 'Go to Student Dashboard' button for 'Dom Test Student 2'. A callout box with a blue arrow points to the 'Add Student' button and the 'Go to Student Dashboard' button, containing the text: 'Add a student or select a student from your account and click on “Go to Student Dashboard”'.

## To “Add Student”:

- Fill in “student information” for each student.

## What Happens Next?

1. Counselors will be contacted through the platform for any courses in need of their approval; these include all credit-bearing courses (dual enrollment, AP, work-based learning, world language, and career credentials).
2. All pre-registrations will live on the student dashboard and once approved they will say “Approved or Approved – Awaiting Lottery” depending on pre-registration or open enrollment registration status.

3.

The screenshot shows a user interface for managing courses. At the top, there are two tabs for '2021-2022' and '2022-2023'. Below the tabs is an 'Add Course' button. The main heading is 'Preregistered Courses'. Underneath, there is a filter for 'Fall 2022-2023'. A course card is displayed for 'Study Smart! (Fall 2022)'.
