Join the Commissioner's Care Team!

A statewide professional learning opportunity for Rhode Island educators and school staff.

Help build a school community where every student can thrive.

RIDE is seeking **100 school-based professionals** to join the **Commissioner's Care Team**, a statewide cohort focused on recognizing and responding early to student stress and strengthening mental health and wellness through shared, sustainable school-wide practices.

WHO SHOULD APPLY?

- Teachers
- Social workers
- School counselors
- School psychologists
- School-based mental health providers
- Nurses
- Principals
- Superintendents

Applicants must currently work in a Rhode Island public school or local education agency (LEA).

WHAT PARTICIPANTS WILL GAIN & DO

- **Build practical skills:** Complete specialized professional learning with Stanford University's Building Resilience in Schools and Pure Edge.
- **Bring learning to your school:** Lead or participate in job-embedded professional development to share strategies with colleagues.
- **Reflect and connect:** Submit a brief report and reflection and join a statewide community of school professionals committed to student wellness.
- **Earn a $1,000 stipend** upon successful completion of required specialized trainings and program requirements.

READY TO APPLY?

Scan the QR Code to Access the **Application Form!**

*Applications submitted before **November 18th** will be prioritized.*

Administrator endorsement is required. Selection will consider commitment to whole-school practices and representation across roles, grade levels, and regions.
