

The InvestiGator Club Prekindergarten Learning System

3rd Edition (2022)

The InvestiGator Club Prekindergarten Learning System is a state-endorsed Prekindergarten curriculum (ages 3–5), aligned with the 2013 Early Learning and Development Standards (RIELDS).

The InvestiGator Club is an investigation-based early childhood curriculum. The comprehensive prekindergarten learning system builds upon children's natural curiosity about the world and their place in it. "Purposeful Inquiry," the heart of The InvestiGator Club, awakens the scientist and explorer in every child. Children learn to use their senses, ask questions, and find answers in a supportive, print-rich environment. The InvestiGator Club provides choices and creative tools for flexible "outside-the-box" teaching that inspires teachers, children, and families.

ADDITIONAL INFORMATION
