

All Grades Requirements for Full Certification

Applicants must satisfy all requirements in the following table for the certificate area(s) they are seeking¹. The table includes details for each certificate area including the specific area, valid assignment details, available pathways, specific criteria, and required assessment(s). All full teacher certificate areas require the applicant to hold a Bachelor's degree from a regionally accredited institution.

Note: Applicants prepared in a program where the language of instruction was not English must achieve a passing score of 64 on the Versant Pro Speaking and Writing English assessments. Additionally, dependent certificate areas are noted with an asterisk (*) and specify the prerequisite certificate (within the criteria).

¹ RI full certification demonstrates that an educator has met all RI certification requirements. RI full certification types include Initial, Professional, and Advanced certificates (all of which are multi-year certificates). RI full certification is comparable to National Association of State Directors

of Teacher Education and Certification (NASDTEC) stage three or higher certificates and is recognized by other states for certificate reciprocity. RI full certification does not include preliminary certificates. Individuals pursuing their first full certificate should apply for their Initial certificate
