I. PURPOSE AND SCOPE

The Rhode Island Child and Adult Care Food Program (CACFP) announces the continued availability of additional administrative payments to increase participation in CACFP among licensed, registered and legally-exempt family child care providers. Two types of additional payments are available to CACFP Sponsoring Organizations (Sponsors): Start-up or Expansion Payments. Start-Up Payments are available on a one-time basis to new or existing organizations that sponsor fewer than 50-day care homes in CACFP. These payments can assist Sponsors to initiate successful CACFP operations among licensed, registered, and legally-exempt family child care providers. Expansion Payments are available to Sponsors of any size to increase CACFP participation among licensed, registered and legally-exempt family child care providers in rural, low income and/or unserved areas only. A period of 12 months must elapse after the expiration of the time allotted to the Sponsor under its original start-up or previous expansion agreement with CACFP before the Sponsor can apply for further Expansion Payments. The 12-month period commences from the date of the previous grant completion letter.

These instructions describe: who is eligible, how payment amounts are determined and other requirements for both Start-Up and Expansion Payments. The attached application is used to apply for either Start-up or Expansion Payments. Sponsors may apply for only one type of additional payment at a time.

Sponsors applying for either type of additional payment will be notified of approval or disapproval by CACFP, in writing, within 30 calendar days of filing a complete and accurate application. If a Sponsor submits an incomplete application, CACFP will notify the Sponsor within 15 calendar days of receipt of application. CACFP will provide the necessary technical assistance and direction to the applicant so that the application can be completed correctly.

II. START-UP PAYMENTS

As described in the federal regulations governing CACFP (7 CFR 226.12), Sponsors of fewer than 50 day care homes may receive Start-Up Payments to develop or expand CACFP to licensed, registered and legally-exempt family child care providers.

A. Basic Eligibility

1. Must be an approved CACFP Sponsoring Organization of Day Care Homes with fewer than 50 day care homes, or an approved new Sponsor with no homes under their jurisdiction.
2. New organizations will need to complete an application and management plan to become an approved CACFP Sponsoring Organization of Day Care Homes in conjunction with completing the application for Start-Up Payments. Contact CACFP to receive an application and management plan.
3. A Sponsor is eligible to receive Start-Up Payments only once. If an organization has received CACFP Start-Up Payments previously, they may apply only for Expansion Payments.
4. A Sponsor must have a history of successfully managing funds and ongoing activities for public or private programs to be eligible to receive Start-Up Payments. An organization may satisfy this requirement with its good standing in CACFP. Sponsoring Organizations that are in the seriously deficient process are not eligible until no longer seriously deficient.
5. Day care home providers who have changed sponsorship from another organization currently participating in CACFP cannot be included in the start-up recruitment efforts, unless the provider's previous organization has closed or terminated its agreement to sponsor day care homes.

B. Payment Terms

1. The maximum Start-Up Payment is determined as follows:
 - a. For new Sponsors the calculation is based on 50 homes, while for existing Sponsors the calculation is based on 50 homes minus the number of homes already administered (e.g., claimed) by the Sponsor.
 - b. The Sponsor may receive an amount equal to one month's administrative payment, but not more than two months' payment, earned from the number of homes calculated from above (a.)
 - c. Start-Up Payments will be based on the administrative rate in effect at the time the application is submitted.
2. Start-Up Payments are issued in two parts:
 - a. The first Start-Up Payment will be handled as follows: At the time of the Start-Up Payment Application approval, an advance equal to one-half of the total award will be sent. Typically, these funds will be received 1-2 weeks from the date of the approval letter.

- b. The second payment will be issued following the submission of a written final report. A final report must be submitted to CACFP documenting how the entire payment was utilized in conducting start-up activities. Original receipts must be included. This report must be submitted no later than one month after the end of the time frame for start-up activities. The time frame encompasses the dates of the supplemental agreement.

Example

Two CACFP Sponsors apply for Start-Up Payments in July 2017 when the administrative payment is \$114 for the first 50 homes.

1. The first Sponsor does not yet administer any day care homes. It may receive Start-Up Payments for as many as 50 homes. The organization may request no less than \$5,700 (50 x \$114 x 1 month) and not more than \$11,400 (50 x \$114 x 2 months). If the organization requests \$11,400, the first payment will be \$5,700. The start-up activities result in the recruitment of 10 family day care home providers who submit a claim for reimbursement for the second month of the grant period. The final grant payment will also be \$5,700, if documentation supports the full grant amount. The number of recruited providers will have no effect on the total grant award when the Sponsor has no providers under their jurisdiction at the time of the Start-Up Payment Application.
2. The second Sponsor currently administers CACFP for 30 day care homes. It may receive Start-Up Payments for 20 homes in order to reach the 50 home limit for Start-Up Payments. The organization must request at least \$2,280 (20 x \$114 x 1 month) and not more than \$4,560 (20 x \$114 x 2 months). In this instance, the first payment will be \$2,280. As a result of the start-up activities funded by the first payment, 10 family day care providers were recruited by the Sponsor. The final payment will also be \$2,280. The number of newly recruited providers will have no effect on the total grant award.

C. Agreement

As part of the application, Sponsors applying for Start-Up Payments must enter into a supplemental agreement with Rhode Island Department of Education, Child and Adult Care Food Program. The supplemental agreement includes the time frame for completing the start-up efforts. If the Sponsor anticipates that start-up activities cannot be completed within the time frame outlined in the application, a written request for an extension must be submitted to CACFP.

D. Final Report

At the end of the grant period, Sponsoring Organizations must submit a written report that includes the number of providers recruited and actually participating, documentation of activities performed (e.g., recruitment meeting dates and attendees, publications developed, etc.) and expenses incurred (actual receipts are required). Verification of the documentation and expenses submitted to CACFP will be conducted. Documentation must support that every reasonable effort has been made to carry out the activities specified in the application. Expenses will be verified against the approved grant budget and should be supported by ledger reporting separate from the annual administrative CACFP budget in accordance with OMB's "Super (aka Omni) Circular". In general, expenses should reflect only the incremental expenditures necessary to support this start-up project. Please note that expenditures of the Grant funds are not to be reported on the monthly claims for reimbursement.

Expenses incurred and reported must be in compliance with CACFP regulations (7 CFR 226), relevant FNS instructions, CACFP guidance materials, policy memoranda issued by the Rhode Island Department of Education, and all applicable State and Local Laws. To the extent that allowable costs meet or exceed the Grant award, repayment of all or part of the Grant will not be requested.

EXPANSION PAYMENTS

Expansion Payments provide administrative funds in addition to regular administrative funds earned through monthly claims, for existing Sponsors to expand CACFP among licensed, registered and legally-exempt family child care providers in rural, low-income and/or unserved areas. The additional payments are intended to be applied to the higher-than-normal costs experienced by Sponsors when expanding into these areas. The payments may assist a Sponsor to add as many as 50 additional homes under their sponsorship.

A. Basic Eligibility

1. Participating Sponsors that administer CACFP for more than 50 day care homes, or Sponsors of fewer than 50 homes previously awarded Start-Up Payments, are eligible for Expansion Grants.

2. A Sponsor must have a history of successfully managing funds and ongoing activities for public or private programs to be eligible to receive Expansion Payments. CACFP may be included as relevant experience. Sponsoring Organizations that are in the seriously deficient process are not eligible until no longer seriously deficient.
3. A period of 12 months must elapse after the Sponsor has satisfied all obligations under its original Start-Up or previous Expansion Grant before the Sponsor can apply for additional Expansion Payments. The 12-month period commences from the date of the previous grant completion letter.
4. If one Sponsor has been approved for expansion in a specific targeted area, a second organization will not be granted approval to recruit in the same area.
5. Day care home providers who are changing sponsorship from another organization currently participating in CACFP cannot be included in the expansion recruitment efforts, unless the previous Sponsor has closed or terminated its agreement to sponsor day care homes.

B. Payment Terms

Sponsors will receive one Expansion Payment. The calculation for payment is based on the number of day care homes, up to 50 homes, targeted by the Sponsor for expansion efforts. This 50 home limit does not include homes already operated by the Sponsor requesting the funds. Expansion Payments will be based on the administrative rate in effect at the time the application is submitted. The amount paid to a Sponsor is the administrative payment for at least one month, and not more than 2 months, multiplied by the number of homes targeted for expansion.

Example

A Sponsor applies for Expansion Payments to add 50 day care homes. The administrative payment rate at that time is \$114 for the first 50 family day care homes. The organization may request no less than \$5,700 (50 x \$114 x 1 month) and not more than \$11,400 (50 x \$114 x 2 months). One payment will be issued for the entire amount approved.

C. Agreement

As part of the application, Sponsors applying for Expansion Payments must enter into a supplemental agreement with the Rhode Island Department of Education, Child and Adult Care Food Program. The supplemental agreement includes a time frame for completing the expansion efforts. If the Sponsor anticipates that the expansion activities cannot be completed within the time frame outlined in the application, a written request for an extension must be submitted to the Rhode Island Department of Education, CACFP.

D. Final Report

At the end of the grant period, Sponsoring Organizations must submit a written report that includes the number of providers recruited and actually participating, documentation of activities performed (e.g., recruitment meeting dates and attendees, publications developed, etc.) and expenses incurred (actual receipts are required). Verification of the documentation and expenses submitted to CACFP will be conducted. Documentation must support that every reasonable effort has been made to carry out the activities specified in the application. Expenses will be verified against the approved grant budget and should be reported by ledger reporting separate from the annual administrative CACFP budget in accordance with OMB's "Super (aka Omni) Circular". In general, expenses should reflect only the incremental expenditures necessary to support this expansion project. Please note that expenditures of the Grant funds are not to be reported on the monthly claims for reimbursement.

Expenses incurred and reported must be in compliance with CACFP regulations (7 CFR 226), relevant FNS instructions, CACFP guidance materials, policy memoranda issued by the Rhode Island Department of Education, and all applicable State and Local Laws. To the extent that allowable costs meet or exceed the Grant award, repayment of all or part of the Grant will not be requested.

E. Definitions

Expansion Payments are to be used to reach licensed, registered and legally-exempt family child care providers in rural, low-income and/or unserved areas. Below are the definitions for *rural*, *low-income* and *unserved*, and guidance for the applicant in completing related questions.

1. **Rural:** USDA has defined rural to mean any area in a county which is not part of a Metropolitan Statistical Area, or any pocket within a Metropolitan Statistical Area that may be determined to be geographically isolated from an urban area. If the applicant is expanding into an area not clearly rural, justification should be provided in order to assist CACFP to determine if the area could be defined as rural. Applicants may contact their public library, county planning office or CACFP for assistance in determining *rural* status.
2. **Low-income:** USDA requires that school lunch participation data be used to determine if an area is one in which poor economic conditions exist. School data demonstrates that an area is low-income when 50% or more of the children enrolled in schools, in the area where the CACFP expansion is to take place, are eligible for free or reduced-price meals under the National School Lunch or School Breakfast programs.

Sponsors will annually receive from CACFP a list of all schools in the state in which at least 50 percent of the enrolled children are eligible for free or reduced-price meals. Sponsors must include school information to describe the low-income area. To strengthen the argument that the area is indeed low-income, in addition to the school information; Sponsors may also document the need of an area by using census tract data to show that the median income for the area where expansion is planned is lower than the reduced-price guideline. Information on low-income census block groups can be obtained from local government offices.

3. **Unserved:** In general, an unserved area is one in which day care home providers desire to participate in CACFP but cannot because of a lack of Sponsoring Organizations. Sponsors need to demonstrate that there are licensed, registered and legally-exempt family child care providers within the targeted geographical area who are not already participating in CACFP. You may contact CACFP for information on areas with non-participating providers.

F. Limitations

1. The final rule governing the amendment which provides Expansion Payments for rural or low-income areas specifically prohibits Sponsors from using Expansion Payments to target individual day care homes that are not located in low-income areas. The funds can only be used to target providers in rural, low-income and/or unserved areas, not individual low-income providers located outside of such areas.
2. A Sponsor who has successfully expanded in the area(s) for which Expansion Payments were originally approved, may apply for a second round of Expansion Payments for expansion into other rural, low-income and/or unserved areas. The second application must justify the need for further expansion.
3. A Sponsor is not eligible to apply for a second round of Expansion Payments until at least 12 months have elapsed after the Sponsor has satisfied all obligations under its initial or prior agreement. The 12-month period commences with the date of the previous grant completion letter.

If applicant Sponsors have questions about either Start-Up or Expansion Payments, or need assistance in completing the application for Start-Up or Expansion Payments, please contact Jessica Patroliia at jessica.patroliia@ride.ri.gov or 401-222-4253.
